Mandatory Conversion

Immediately prior to the listing of the Common Stock on The Nasdaq Stock Market, all outstanding shares of Series C owned by each holder will automatically convert into a number of shares of Common Stock equal to the product of the Series C Conversion Ratio (as defined in the Series C Certificate of Designation) and the number of shares of Series C owned by such holder.

Dividends

The Series C Certificate of Designation does not provide for mandatory dividends on the Series C shares. Dividends may be declared and paid on the Series C shares from funds lawfully available and as determined by the Board.
