Forward-Looking Statements

This report contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Any statements in this report that are not historical facts may be considered "forward-looking statements," including, but not limited to, statements regarding the Company's preliminary results for the quarter ended September 30, 2026. These statements are based on management's current expectations and information available as of the date of this report and are subject to risks, uncertainties, closing adjustments and other factors that could cause actual results to differ materially. Forward-looking statements are typically, but not always, identified by

the use of words such as “may,” “would,” “believe,” “intend,” “plan,” “anticipate,” “estimate,” “expect,” and other similar terminology. Forward-looking statements are based on current expectations of management and upon what management believes to be reasonable assumptions based on information currently available to it, and are subject to risks and uncertainties. Such risks and uncertainties may cause actual results to differ materially from the expectations set forth in the forward-looking statements. Such risks and uncertainties include, but are not limited to, risks related to preliminary financial results, including the risks that the preliminary financial results reported in Exhibit 99.1 reflect information available to the Company only at this time and may differ from actual results, including in connection with the Company’s completion of financial closing procedures, risks and uncertainties associated with the Company’s business and finances in general, as well as other risks detailed in the Company’s recent filings on Forms 10-K and 10-Q with the SEC. The Company undertakes no obligation to update any forward-looking statements to reflect new information, events or circumstances, or to reflect the occurrence of unanticipated events.

Interpace Biosciences Announces Preliminary Unaudited Third Quarter 2026 Revenue

- Preliminary Q3 2026 revenue expected to range from \$10.1 million to \$10.4 million
- Expected quarter-over-quarter growth of approximately 11% to 14% compared with Q2 2026
- Expected year-over-year growth of approximately 15% to 18% compared with Q3 2025

PARSIPPANY, NJ, October 14, 2026 (GLOBE NEWSWIRE) — Interpace Biosciences, Inc. (“Interpace” or the “Company”) (OTCID: IDYG) today announced that it expects preliminary, unaudited revenue for the third quarter ended September 30, 2026 to range from \$10.1 million to \$10.4 million.

The expected revenue range represents an increase of approximately 11% to 14% compared with revenue of \$9.1 million for the second quarter of 2026 and an increase of approximately 15% to 18% compared with revenue of \$8.8 million for the third quarter of 2025.

The estimated revenue presented in this release is preliminary and unaudited, is based on information currently available to management, and remains subject to completion of the Company’s quarter-end closing procedures and review by the Company’s independent registered public accounting firm. Actual results may differ, including materially, from the range presented above. The Company expects to report complete financial results for the third quarter of 2026 at a later date.
